PRODUCT UPDATE
2022/23

COMPANY

PROFILE & POLICY

BHOJALRAM INDUSTRIES has a successful record of catering to hardware dealer needs with a wide range of products made from white metal as well as steel under the brand **FLIP** since 2010.

FLIP Product Range include Mortise handles, Cabinet handles, Drawer knobs, Main Door handles and Door-kits made from White metal as well as Steel.

Precise Dimensions, Quality Raw Material, Casting Process Quality and appropriate Tooling clubbed with unmatched Polishing Processes have been the **HALLMARK** of **FLIP** ensuring **Total Customer Satisfaction**.

SHRI NILESH SAVALIYA heads overall business activities.

Perceiving overall Consumer Preference for Quality, the veteran Nilesh Savaliya has undertaken ambitious plans to introduce Customer-Centric Premium Quality Products such as Mortise handles, Lock Body & Cylinders, Cabinet handles, Main Door Handles, Concealed handles, Drawer Knobs & Kadi as well as Accessories in Unique Designs along with unmatched Attractive Finishes.

As per **MARKETING POLICY**, selected parties will be appointed as **Authorized Distributor** specifying areas where in **FLIP Premium Range** products will be Distributed to selected Hardware Retail outlets only in a city to avoid intra-competition which can badly affect **Brand Image**.

Number of Selected Hardware Retail outlets will be decided based on population & potential of the city.

Similarly, **Authorized Direct Dealers** will be appointed in a city (only where an Authorized Distributor has not been appointed by the company.)

Number of Direct Dealers promoting **FLIP Premium Range** will be decided based on population & potential of the city.

Our Business Philosophy

QUALITY... QUALITY... QUALITY !!!

The word QUALITY has always been utilized by ONE & ALL...

So, what does the word QUALITY consist of ?

Quality of raw material, Quality of casting process, Quality of tooling operations, Quality of polishing processes followed by Quality of packing material & packaging material as well as Quality of packing and packaging processes.

Quality pertaining to creating & projecting BRAND IMAGE as well as Quality of Brand positioning decisions duly supported by appropriate Brand-Building efforts.

ALL ABOVE ASPECTS Immensely contribute towards

Q U A L I T Y .
